LED Energy-saving Lamps
LED light for your home
30W / 40W / 60W  3000K / 6500K  E27

Whether it is durable, energy efficient lighting and quality, KDE source of LED Energy-saving Lamps always meet your needs.
LED Energy-saving Lamps source covering all indoor and outdoor applications, in life, energy-saving, low-maintenance and color rendering performance is excellent.

- Lamp low power consumption, no flash, fever small.
- Selection of imported new products, scientific arrangement of the overall no dark areas, high color, high brightness.
- Light uniform, soft color temperature, the effective protection of the eye.
